FLASH Private Variables

```
graph LR; A[FLASH Private Variables] --> B[FLASH]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'FLASH'. The box on the right is gray with a black border and contains the text 'FLASH Private Variables'. A horizontal arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the private variables to the main FLASH component.
