

PWR Exported Constants

```
graph LR; A[PWR Regulator state in SLEEP/STOP mode] --> B[PWR Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'PWR Exported Constants'. The box on the right is gray with a black border and contains the text 'PWR Regulator state in SLEEP/STOP mode'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the regulator state to the exported constants.

PWR Regulator state
