

RCCEX Private Macros

RCC Private macros  
to check input parameters

```
graph LR; A[RCC Private macros to check input parameters] --> B[RCCEX Private Macros]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'RCCEX Private Macros'. The box on the right is light gray with a black border and contains the text 'RCC Private macros to check input parameters'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the macros in the gray box are used by or checked by the macros in the white box.
